Thank you for participating in **EVOLVING THE DESERT DISCOVERY CENTER PLAN – MOVING BEYOND PHASE 2**. The project team would like your feedback on the following questions:

- 1) Are you generally pleased with the existing architecture of buildings/structures built within the McDowell Sonoran Preserve? Yes No
- 2) Should the architecture of the DDC be consistent with the current architecture of the Preserve in quality and design character? Yes No
Could it be different, if still equal or better quality? Yes No
- 3) Would you support some of the Desert Discovery Center being lowered into the ground if possible and done carefully, to minimize its visual impact? Yes No

4) Would you support alternative parking arrangements so that some or all of the Desert Discovery Center parking would be located off-site? Yes No

5) Would you support covered solar-collector parking? Yes No

6) Is it important that the Desert Discovery Center would be built according to green building standards? Yes No

Thank you for participating in **DESIGNING THE DESERT DISCOVERY CENTER EXPERIENCE**.
The project team would like your feedback on the following questions:

- 1) If you could choose one adjective to describe the Sonoran Desert, what would it be?

- 2) What is the most extraordinary thing you've ever seen in the Sonoran Desert?

3) What is something you've always wondered about the Sonoran Desert or something you've wished you'd seen, but haven't?

4) What is one thing you wish you could tell people about how to "live well" in the desert?
