We, the undersigned, citizens of Scottsdale, Arizona, hereby petition City Council to pass a resolution, or to submit to the voters a change to the Charter, that would require either of the following to occur only with approval by public vote.

2. Use of Preserve Tax Funds for anything other than land acquisition, the building of trails, minimal facilities required for trail heads used for trail access, and the land bridge over Dynamite Blvd.

Clarifying Statement

The Preserve belongs to the citizens of Scottsdale. They deserve a say in what happens in the Preserve, and the use of tax proceeds collected to buy land and provide "appropriate public access".
